2 To Retrieve a Started Order

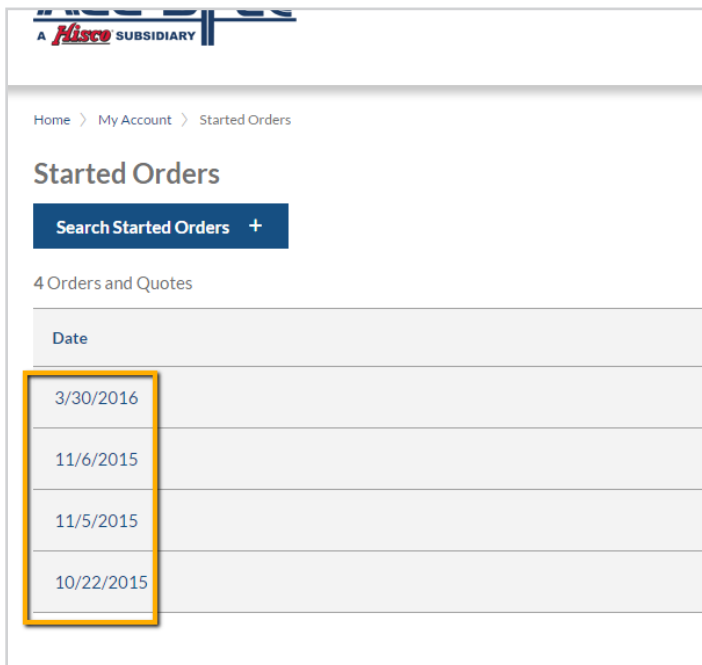

Step 1:

Sign in to your All-Spec.com account, and select "Started Orders" from the My Account drop-down menu.

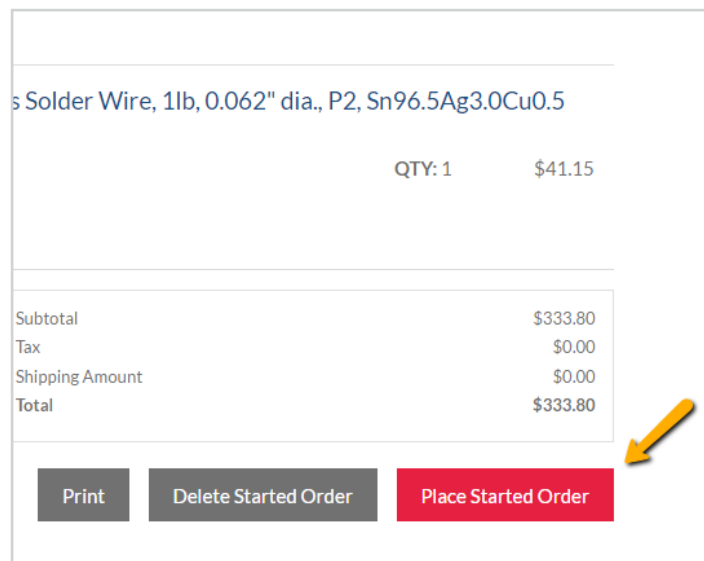

Step 2:

Choose your started order from the list by clicking the order date.

Step 3:

Add the items from your started order back to your shopping cart by clicking the red "Place Started Order" button. You will have the opportunity to modify your order, if needed, prior to checking out. Your started order will no longer exist. If you're not ready to check out, you will need to save your cart as a new started order.

Step 4:

Check out as normal.
